Roberta Baldo - Disclaimer

The information contained in this website is for general information only and is not a substitute for medical advice or treatment.

I am a nutritional therapist and do not intend to replace medical advice from your GP or healthcare provider, nor do I claim to diagnose, treat, cure or prevent any disease.

You understand that you are responsible for ensuring that all the information you provide is full, accurate and up to date and any supplements or nutritional advice given should be notified to your GP or health care provider if you are receiving ongoing medical treatment.

I acknowledge that whilst I may receive commission on nutritional supplements, which I prescribe, this does not in any way affect my judgment as to the best supplements to meet your requirements. I also receive a fee from the laboratories used for providing functional testing however I shall only recommend testing if I feel it is appropriate.

Any clients under the age of 18 must be accompanied at all consultations by a parent or a suitable responsible adult.
